

About Us

IMPACT Missionary Movement, is an organization instituted for preaching of the Gospel of the kingdom to all the nations through the leading and enabling power God through the Holy Spirit.

IMPACT is an acronym which stands for Inspired Missionaries Proclaiming the Advent of Christ Today. The movement consists of mainly youths – students and young professionals working with older members who seek to prepare the world for the imminent return of Jesus Christ

Origins

IMPACT was started on 4th October 2008 at Lusaka Central SDA Church in the then Central Zambia Conference; envisioned and founded by young Seventh -Day Adventists in Lusaka, Zambia.

History

In 2009, IMPACT undertook 9 missions in different parts of Zambia, trained over 70 young people for mission work; saw over 1,000 souls won and baptized to Christ, ministered and preached to more than 10,000 people, visited and fed hundreds of patients, changed hundreds of lives and gave birth to other young adult missionary movements.

Current Affairs

As of 2022, IMPACT had undertaken over 74 short-term missions in different parts of Zambia, in partnership with organised Church structures; reaching over 190,000 people and over 6,520 souls baptised in to Christ. The movement had also planted 15 Churches across Zambia and sent 4 Missionaries beyond Zambia on Long term Missions. The Movement has an active membership of over 958 young Seventh-Day Adventist full time and part time Missionaries.
